## REGISTRATION STEPS

### 1. Go to FxPro Registration Page

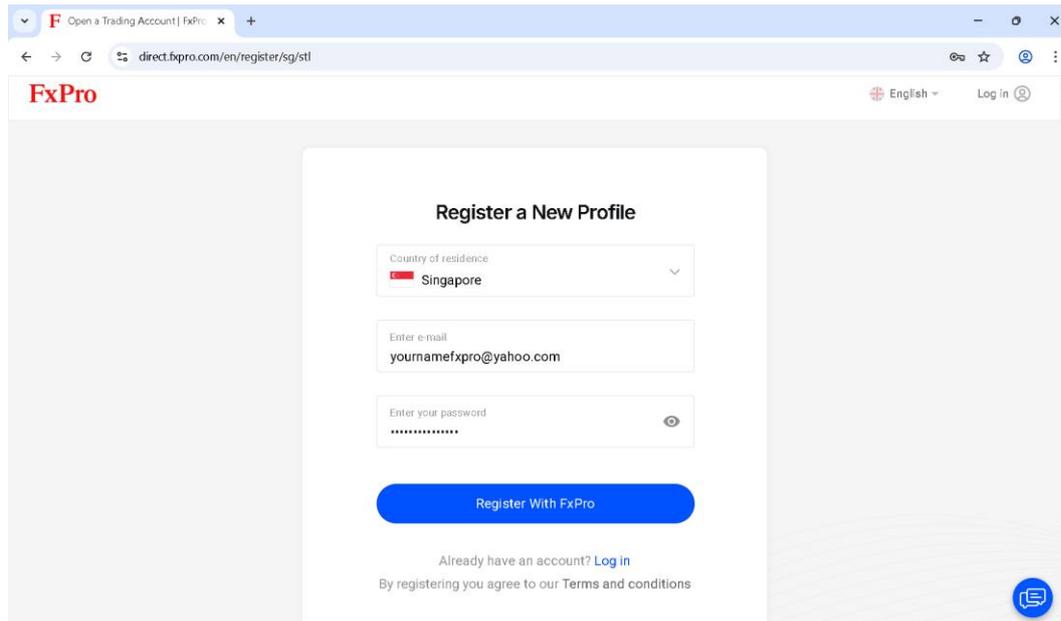

The screenshot shows a web browser window with the URL [direct.fxpro.com/en/register/sg/stl](https://direct.fxpro.com/en/register/sg/stl). The page features the FxPro logo in the top left and a language selector set to 'English' in the top right. The main content is a registration form titled 'Register a New Profile'. The form includes a dropdown menu for 'Country of residence' with 'Singapore' selected, an 'Enter e-mail' input field, and an 'Enter your password' input field with a visibility toggle. Below the fields is a blue 'Register With FxPro' button. At the bottom of the form, there is a link for 'Log in' and a note: 'By registering you agree to our Terms and conditions'. A chat icon is visible in the bottom right corner of the page.

Open your browser and go to the official FxPro registration link:

👉 <https://direct-fxpro.com/en/partner/2rcUHgpVk?platform=web>

You will be directed to the **Register a New Profile** page.

## 2. Start Registration

A screenshot of a web browser displaying the FxPro registration page. The browser's address bar shows 'direct.fxpro.com/en/register/sg/stl'. The page features the FxPro logo in the top left and 'English' and 'Log in' in the top right. The main content is a white card titled 'Register a New Profile' with three input fields: 'Country of residence' (set to Singapore), 'Enter e-mail' (with the example 'yournamefxpro@yahoo.com'), and 'Enter your password' (with a masked password '\*\*\*\*\*'). A blue 'Register With FxPro' button is below the fields. At the bottom of the card, it says 'Already have an account? Log in' and 'By registering you agree to our Terms and conditions'. A blue chat icon is in the bottom right corner of the page.

To begin your registration, fill in the following information:

### Country of Residence

Make sure this matches your identification document.

### Email Address

Enter a valid and active email address.

#### Example:

[yournamefxpro@yahoo.com](mailto:yournamefxpro@yahoo.com)

### Password

Create a secure password for your FxPro profile.

Your password must meet the following requirements:

- At least **1 uppercase letter (A-Z)**
- At least **1 lowercase letter (a-z)**
- At least **1 number (0-9)**
- **Minimum 8 characters**
- **No spaces**

#### Example password:

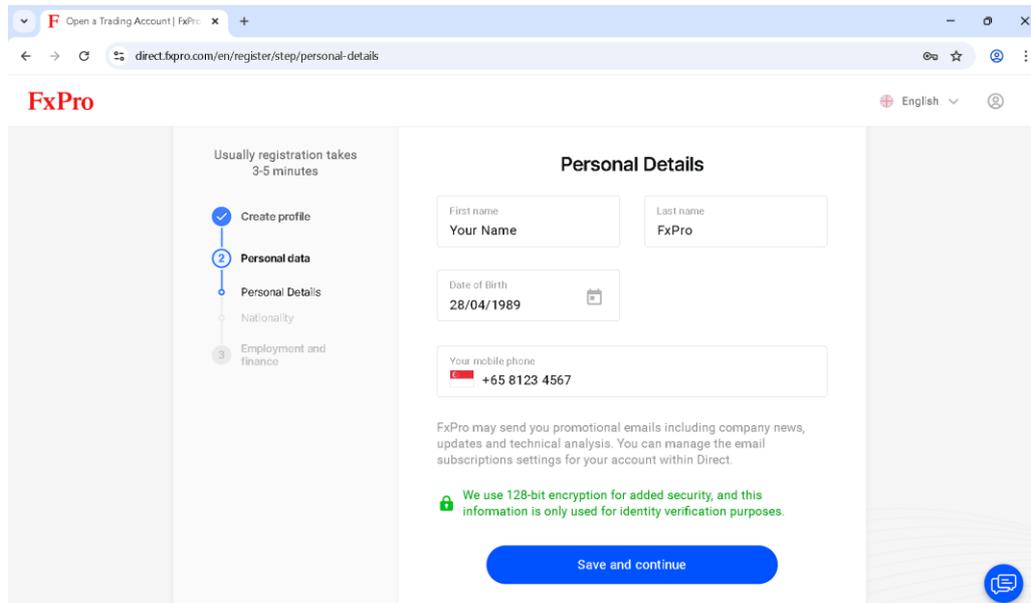

[Fxpro@1234](#)

Once all requirements are met, click **Register with FxPro** to continue.

### 3. Personal Data

After creating your profile, you will be asked to complete your personal data.

#### 3.1 Personal Details

The screenshot shows a web browser window with the URL `direct.fxpro.com/en/register/step/personal-details`. The page title is "Personal Details" and it features a progress indicator on the left with four steps: "Create profile" (completed), "Personal data" (current step), "Nationality", and "Employment and finance". The form fields are: "First name" (Your Name), "Last name" (FxPro), "Date of Birth" (28/04/1989), and "Your mobile phone" (+65 8123 4567). A blue "Save and continue" button is at the bottom. A security notice states: "We use 128-bit encryption for added security, and this information is only used for identity verification purposes."

Fill in your personal details exactly as shown on your identification document.

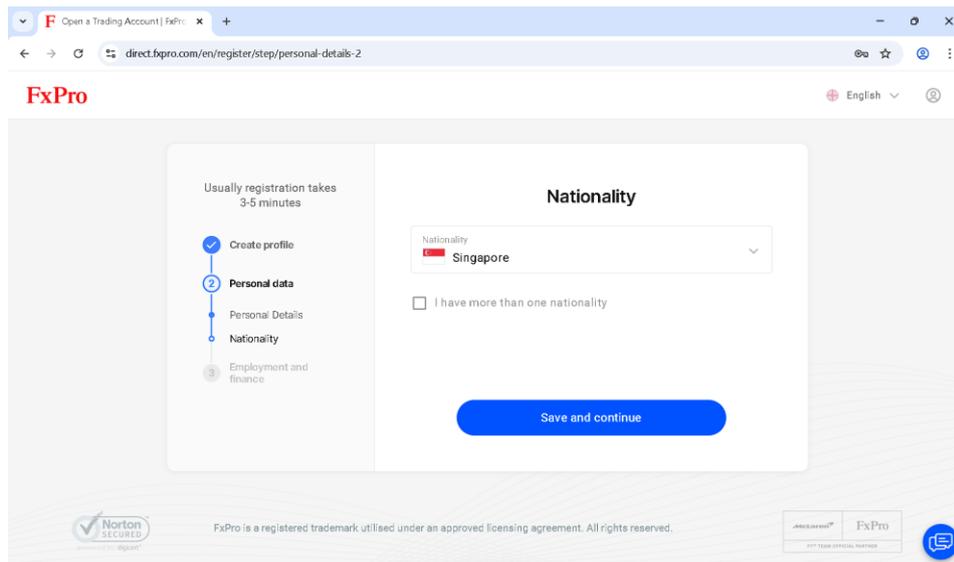

Required information:

- **First Name**
- **Last Name**
- **Date of Birth**
- **Mobile Phone Number**

Ensure all information is accurate, as it will be used for identity verification.

Click **Save and continue**.

## 3.2 Nationality

The screenshot shows the FxPro registration process. At the top, the browser address bar displays "direct.fxpro.com/en/register/step/personal-details-2". The FxPro logo is in the top left, and "English" is selected in the top right. A progress indicator on the left shows four steps: "Create profile" (completed), "Personal data" (current step), "Nationality" (next step), and "Employment and finance". The main content area is titled "Nationality" and features a dropdown menu with "Singapore" selected. Below the dropdown is a checkbox labeled "I have more than one nationality". A blue "Save and continue" button is at the bottom. The footer includes a Norton Secured logo, a trademark notice, and a "10 YEAR OFFICIAL PARTNER" badge.

Select your nationality from the dropdown list.

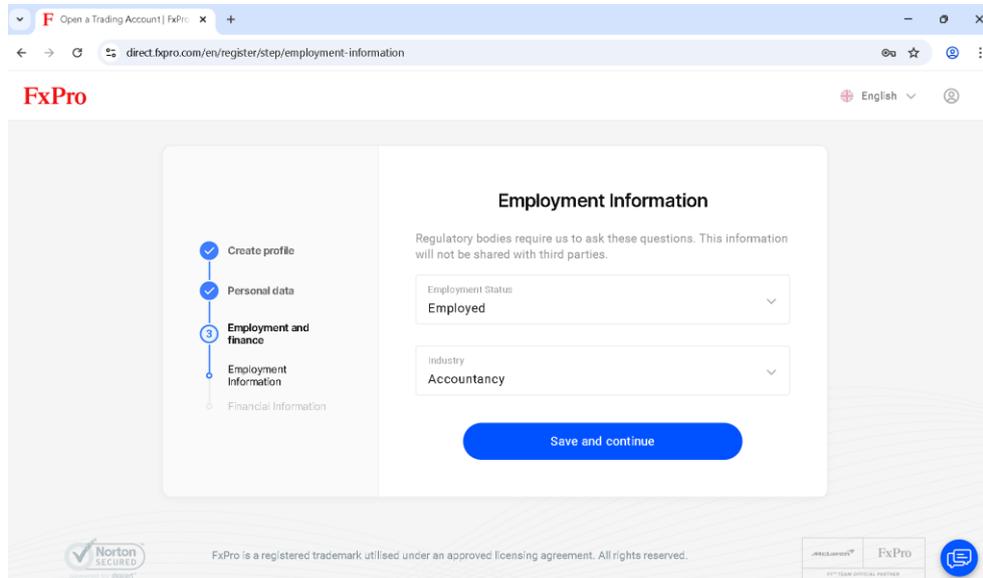

- If you have **one nationality**, simply select it.
- If you have **more than one nationality**, tick the checkbox and add the additional nationality.

Click **Save and continue** to proceed.

## 4. Employment and Finance

You will now be required to provide employment and financial information for regulatory purposes.

### 4.1 Employment Information

The screenshot shows a web browser window with the URL `direct.fxpro.com/en/register/step/employment-information`. The page title is "FxPro" and the language is set to "English". The main content area is titled "Employment Information" and includes a progress indicator on the left with four steps: "Create profile", "Personal data", "Employment and finance" (current step), and "Financial Information". The "Employment and finance" section contains two dropdown menus: "Employment Status" with the value "Employed" and "Industry" with the value "Accountancy". A blue "Save and continue" button is located below the dropdowns. A disclaimer states: "Regulatory bodies require us to ask these questions. This information will not be shared with third parties." The footer includes a Norton Secured logo, a trademark notice, and a chat icon.

Select the option that best describes your current situation.

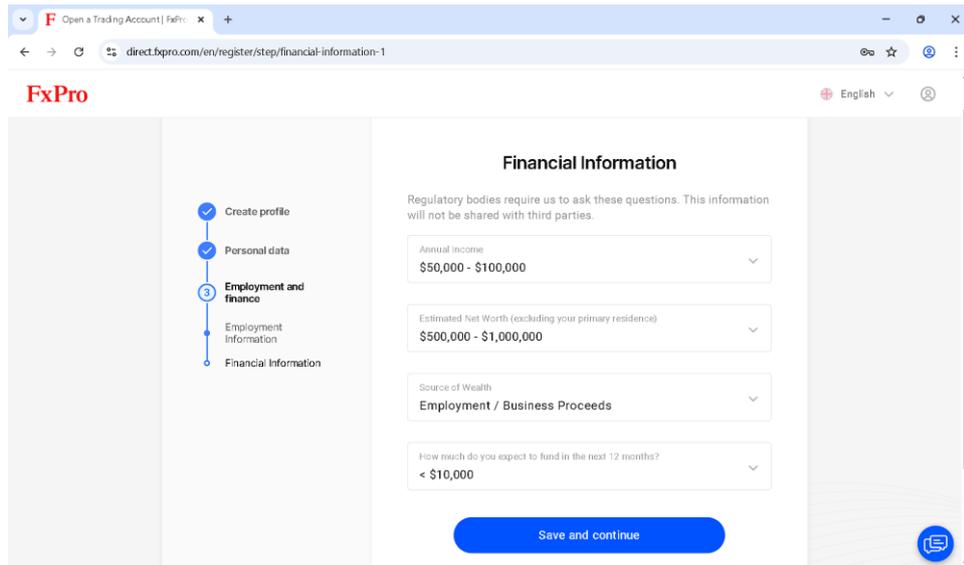

Required fields:

- **Employment Status**  
Example: Employed, Self-Employed, Student, Unemployed
- **Industry**  
Example: Accountancy, IT, Education, Business

This information is required by regulatory authorities and will not be shared with third parties.

Click **Save and continue**.

## 4.2 Financial Information

The screenshot shows the FxPro registration process at the 'Financial Information' step. The browser address bar shows 'direct.fxpro.com/en/register/step/financial-information-1'. The page features a sidebar with a progress indicator showing four steps: 'Create profile', 'Personal data', 'Employment and finance' (the current step), and 'Financial Information'. The main content area is titled 'Financial Information' and includes a disclaimer: 'Regulatory bodies require us to ask these questions. This information will not be shared with third parties.' Below this are four dropdown menus: 'Annual income' (selected: '\$50,000 - \$100,000'), 'Estimated Net Worth (excluding your primary residence)' (selected: '\$500,000 - \$1,000,000'), 'Source of Wealth' (selected: 'Employment / Business Proceeds'), and 'How much do you expect to fund in the next 12 months?' (selected: '< \$10,000'). A blue 'Save and continue' button is at the bottom.

Provide an estimate of your financial background by selecting the appropriate ranges.

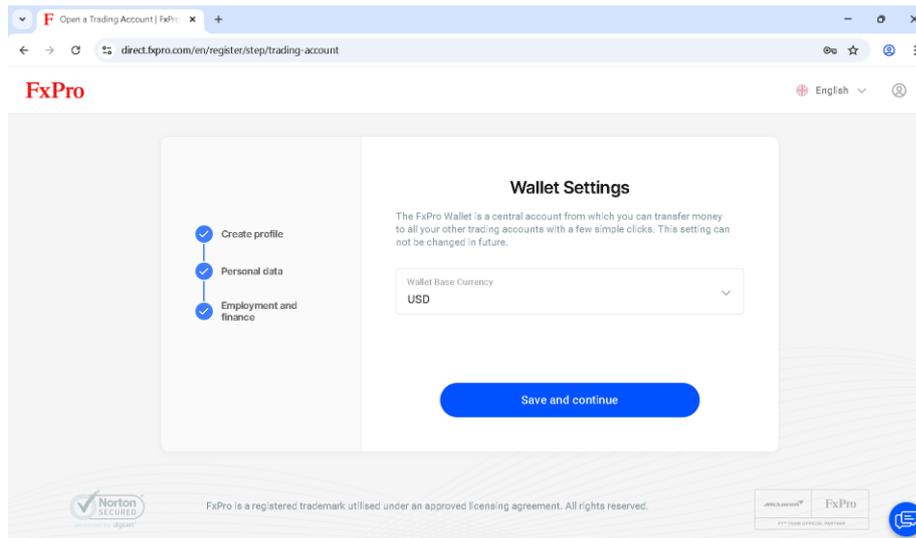

Required fields:

- **Annual Income**
- **Estimated Net Worth** (excluding primary residence)
- **Source of Wealth**  
Example: Employment / Business Proceeds
- **Expected Funding Amount (next 12 months)**

These are estimated values. Select the option closest to your actual situation.

Click **Save and continue** once completed.

## 5. Wallet Setting

Choose your **Wallet Base Currency**.

Example:

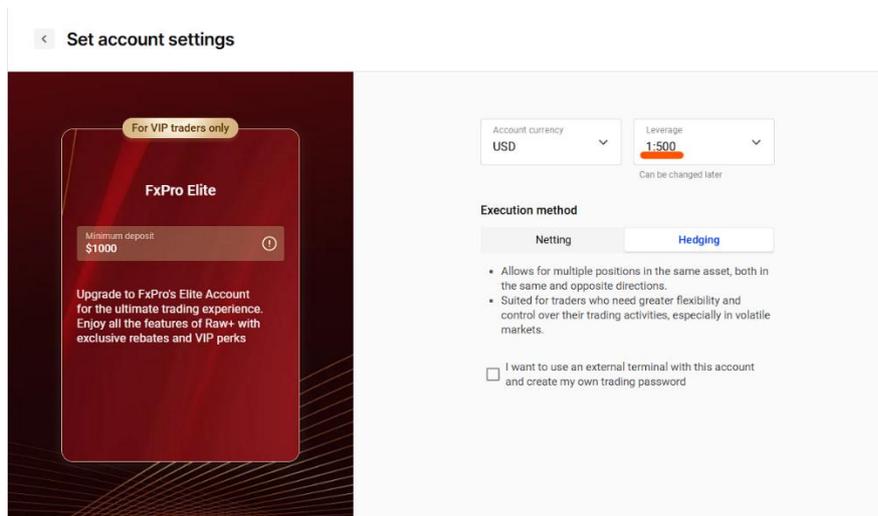

- USD

⚠ Important:

The wallet base currency **cannot be changed later**.

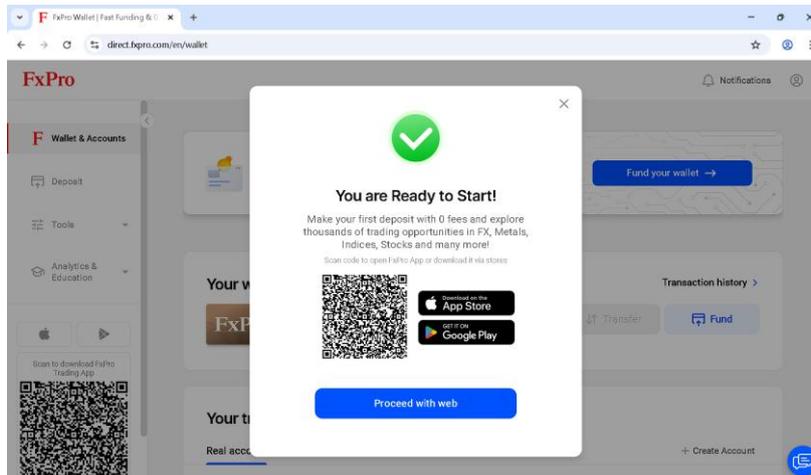

After selecting your preferred currency, click **Save and continue**.

## 6. Set Account Settings

Kindly remember to set the leverage to **1:500** when opening an **Elite account**.

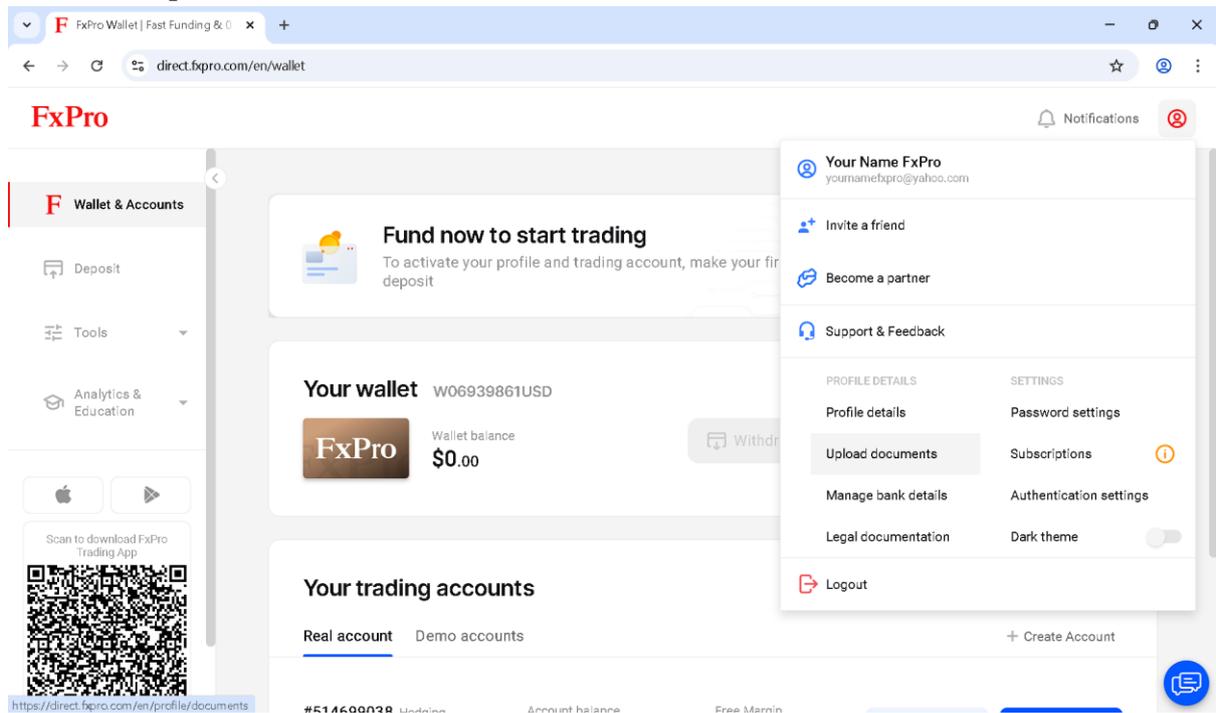

## 7. Completed

Your FxPro profile registration is now complete, and is ready for the next steps (deposit, verification, and trading account setup).

## VERIFICATION STEPS

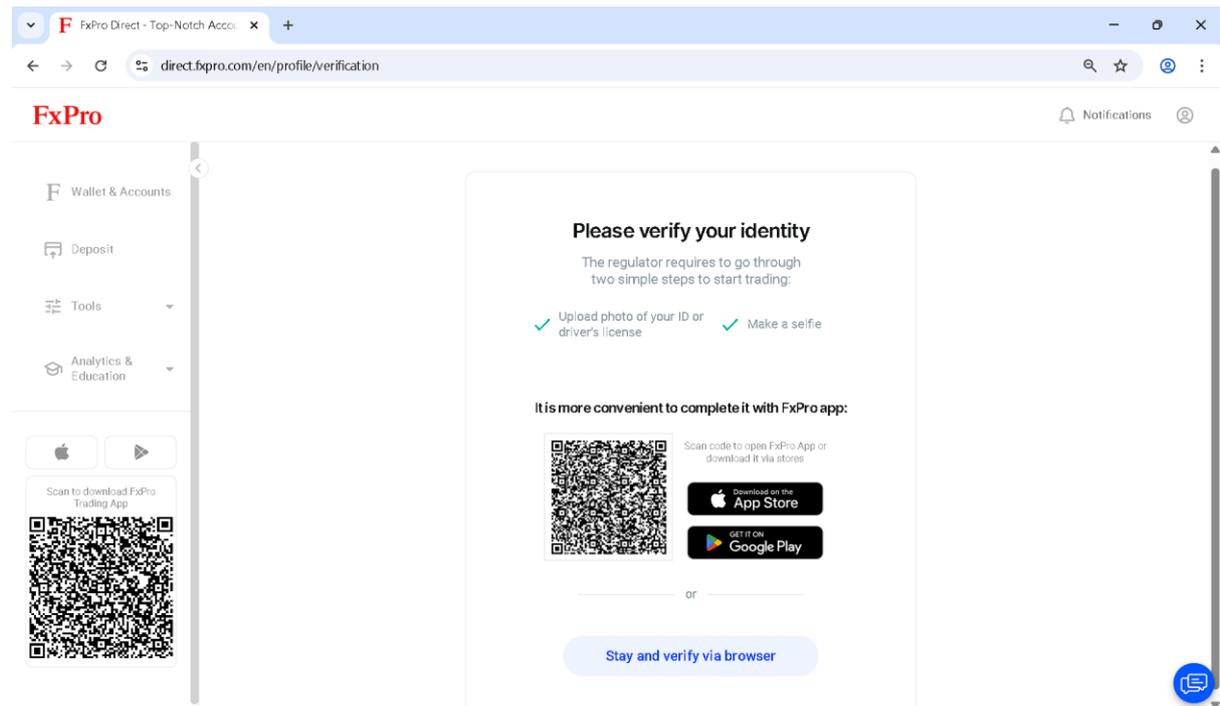

### 1. Access Upload Documents

- Click on your **profile icon** at the **top right corner**
- Select **Upload documents**

This will take you to the identity verification page.

## 2. Choose Verification Method

On this page, you have two options:

- **Verify via browser**
- **Verify via FxPro mobile app**

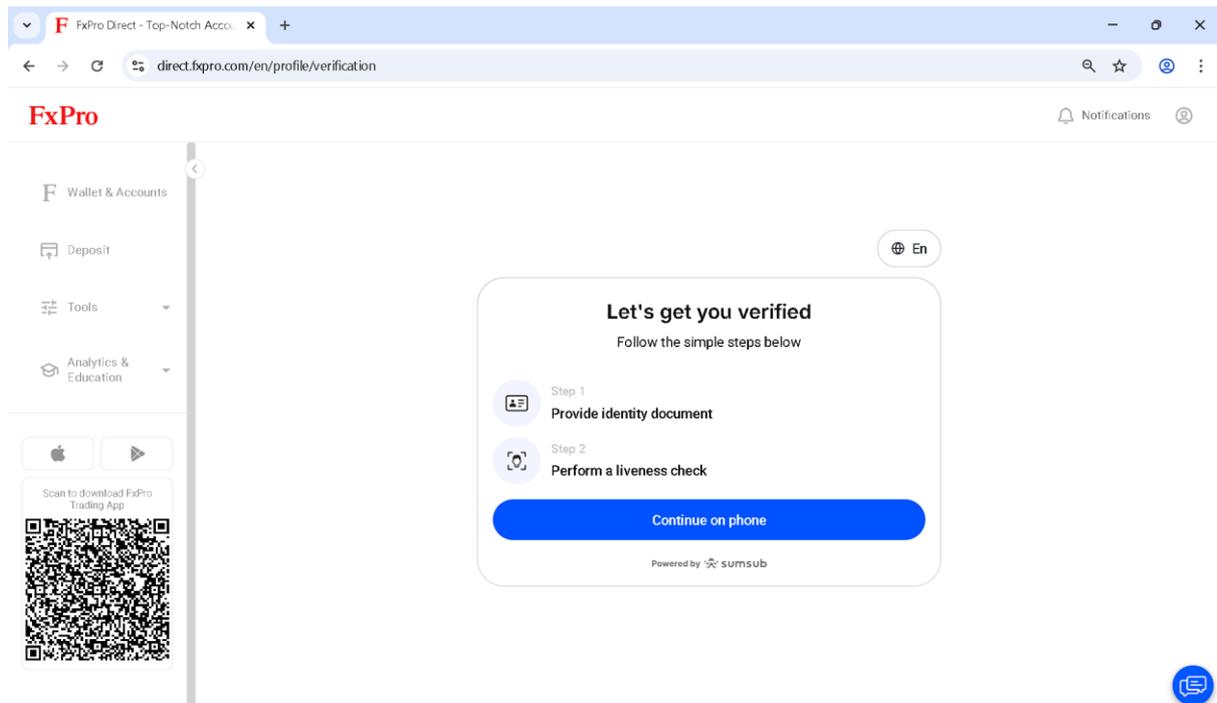

For browser verification, click **“Stay and verify via browser.”**  
(You may also choose to verify via the app if preferred.)

### 3. Start Verification Process

The screenshot shows a web browser window with the address bar displaying "direct.fxpro.com/en/profile/verification". The page features the FxPro logo in the top left and a navigation menu with options like "Wallet & Accounts", "Deposit", "Tools", and "Analytics & Education". A QR code is visible in the bottom left corner. The main content area displays a verification notice with the FxPro logo, the text "FxPro verification", and a warning: "You're about to submit sensitive data to FxPro. If you received this link from a suspicious source, please close this page and notify us immediately." Below the text is a prominent blue "Continue" button. At the bottom of the notice, it says "Powered by sumsub". A language selector "En" is located in the top right of the notice area. A blue chat icon is positioned in the bottom right corner of the page.

- Read the notice carefully
- Click **Continue** to proceed

## 4. Verification Steps Overview

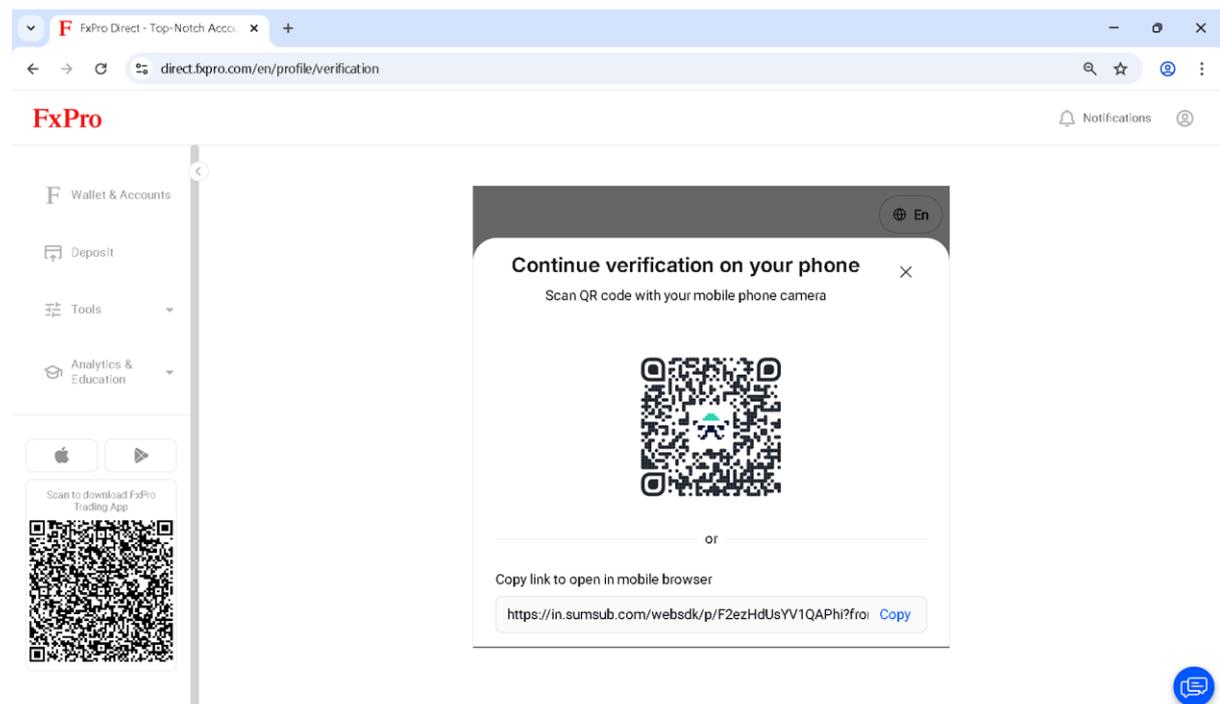

Next, you will see an overview of the verification steps:

- **Step 1:** Provide identity document
- **Step 2:** Perform a liveness check (selfie)

Click **Continue on phone** to proceed.

## 5. Scan QR Code Using Your Phone

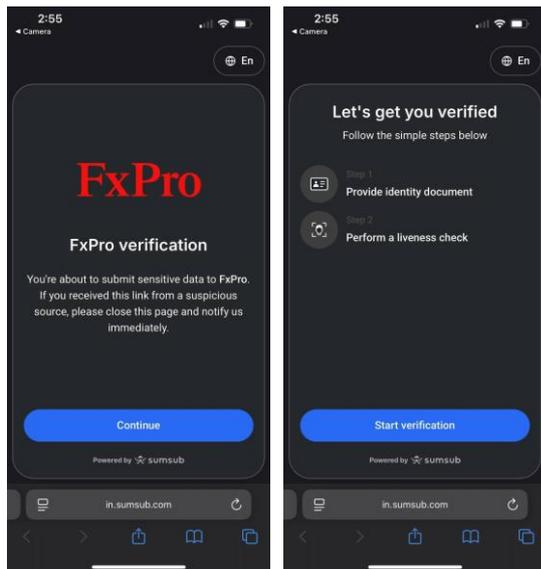

A QR code will be displayed on the screen.

- Open your phone's camera
- Scan the QR code shown
- You will be redirected to the verification page on your mobile phone

If scanning does not work, you may copy the link provided and open it directly in your mobile browser.

## 6. Start Verification on Your Phone

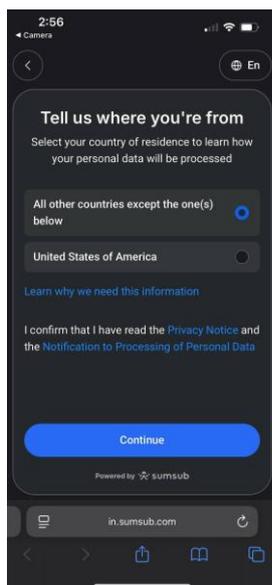

After scanning the QR code, you will be redirected to the verification page on your phone.

These steps on mobile are **the same as on the website**.

Tap **Start verification** to proceed.

## 7. Confirm Country of Residence

Next, you will be asked to confirm your country of residence.

- Select **“All other countries except the one(s) below”** (unless you are a resident of the United States)

- Read the Privacy Notice and Notification to Processing of Personal Data  
Tap **Continue**.

## 8. Select Identity Document Type

Choose the type of identity document you want to use.

Required selections:

- **Issuing Country**  
Example: Singapore
- **Document Type**  
Example:
  - ID Card
  - Passport
  - Driving License
  - Residence Permit

⚠ Digital IDs and screenshots are **not accepted**.  
Please use a **physical, government-issued document**.

After selecting the correct document, tap **Continue**.

### 8.1 How to Upload Your ID

Follow the on-screen instructions to upload your document.

Important guidelines:

- Use a **clear, coloured photo**
- Take the photo in a **well-lit environment**
- Ensure **all four corners** of the document are visible
- Make sure the text is **sharp and readable**
- Do **not edit, crop, or blur** the image

Tap **Continue** once you are ready to upload.

## 9. Liveness check

Once your identity document is uploaded successfully, you will proceed to the next step:

- **Liveness check (selfie verification)**

Follow the on-screen instructions to complete the verification.

## 10. Verification Review & Status

After completing the **liveness check (selfie)**, your identity documents will be submitted for review.

Our team will review your submission and update your verification status accordingly:

- **Approved** – Your profile is verified and ready to proceed
- **Rejected** – Additional information or a re-upload may be required

Verification is usually completed within **24 hours**.

If your verification status is still pending after 24 hours, please contact FxPro Support for assistance via email at [support@fxpro.com](mailto:support@fxpro.com) or through live chat on the FxPro app or website.

YOU'RE ALL SET. WELCOME TO FXPRO.
